April 20, 2012

RICHARD MAGEE, TREASURER  
ANN WAGNER FOR CONGRESS  
PO BOX 50

**Response Due Date**  
**05/25/2012**

IDENTIFICATION NUMBER: C00495846

REFERENCE: YEAR-END REPORT (10/01/2011 - 12/31/2011)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 3 item(s):

1. Schedule A of your report (see attached) discloses a contribution from an individual(s) who has a mailing address outside of the United States of America. Please be advised that 2 U.S.C. §441e(a) and 11 CFR §110.20 prohibit foreign nationals from making contributions in connection with any election for political office or in connection with any primary election, convention, or caucus held to select candidates for any political office.

If the apparently prohibited contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information.

If you have received a contribution from a foreign national, you must refund the impermissible contribution to the donor in accordance with 11 CFR §103.3(b). If you have not already done so, please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for the refund. In addition, any refunds should be disclosed on Schedule B supporting Line 20(a) of the report during which the transaction was made.

Although the Commission may take further legal action concerning the acceptance of a prohibited contribution, prompt action on your part to refund or provide clarifying information concerning these contributions will be taken into consideration.

2. Schedule A of your report discloses one or more contributions that appear to exceed the limit set forth in the Act (see attached). No political committee other than a qualified multi-candidate committee may make contributions to a candidate for federal office in excess of \$2,500 per election. The ROCK TENN Company Political Action Committee did not meet the requirements for qualified multi-candidate status as of the date the contribution(s) was made to your committee. The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (2 U.S.C. § 441a(a) and (f); 11 CFR § 110.1(b))

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with the clarifying information.

If any contribution(s) you received exceeds the limits, you may have to refund the excessive amount. The funds can be retained if, within 60 days of receipt, the excessive amount is properly redesignated for a different election. An excessive contribution is considered properly redesignated if (1) the committee obtains signed written documentation from the contributor(s) authorizing the redesignation of the contribution for another election, provided that the new designation does not exceed the limitations on contributions made with respect to that election; or (2) the committee redesignates by presumption the excessive portion of the contribution for another election provided that the new designation does not exceed the limitations on contributions made with respect to that election. In this case, the treasurer must notify the contributor of the redesignation in writing within 60 days of the treasurer's receipt of the contribution. The notification must give the contributor an opportunity to request a refund. (11 CFR § 110.1(b)(5)(ii)(B)) A contribution can only be redesignated to a previous election to the extent that the contribution does not exceed net debts outstanding for that election. (11 CFR § 110.1(b)(3)(i))

If you have not already done so, please inform the Commission of your corrective action immediately in writing and provide photocopies of any refund checks and/or letters redesignating the contributions in question. Refunds are reported on Line 20(a), (b), or (c), as applicable, of the Detailed Summary Page and on a supporting Schedule B of the report covering the period in which they are made. Redesignations are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation is received. (11 CFR § 104.8(d)(2), (3) and (4))

Although the Commission may take further legal action concerning the acceptance of excessive contributions, your prompt action to refund or redesignate the excessive amount will be taken into consideration.

**3.** Schedule A of your report discloses one or more contributions from an organization(s), which is not a political committee registered with the Commission (see attached). In order for your committee to accept contributions from unregistered organizations, your committee should take steps to ensure that the contributor(s) used permissible funds to make the contribution(s) to avoid violating 2 U.S.C. §§441a(f) and 441b or 11 CFR §102.5(b). Under 11 CFR §102.5(b), organizations which are not political committees under the Act and choose to contribute to federal committees must either: (1) establish a separate account which contains only those funds permitted under the Act, or (2) demonstrate through a reasonable accounting method that the organization has received sufficient funds subject to the limitations and prohibitions in order to make the contribution.

If any apparently prohibited contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. In addition, please clarify whether the contribution(s) received from the referenced organization(s) is permissible.

If you have received prohibited contributions, you must make a refund. (11 CFR § 103.3(b)(1)) The refund must be made within 30 days of the treasurer becoming aware of the illegality of the contribution. (11 CFR § 103.3(b)(2))

If you have not already done so, please inform the Commission of your corrective action immediately in writing and provide a photocopy of any refund checks. Refunds must be reported on a Schedule B supporting Line 20(b) of the report covering the period in which the refund was made. (11 CFR § 104.8(d)(4))

Although the Commission may take further legal action concerning the acceptance of prohibited contributions, your prompt action to refund the prohibited amount will be taken into consideration.

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to

taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
